

Lafayette College Kappa Kappa Gamma Membership Synopsis

Our Mission Statement carries over to all areas of chapter life, and is the starting point of our membership selection criteria:

Kappa Kappa Gamma is an organization of women, which seeks for every member throughout her life bonds of friendship, mutual support, opportunities for self-growth, respect for intellectual development, and an understanding of and an allegiance to positive ethical principles.

Kappa Kappa Gamma is looking for well-rounded, diverse women with like ideals—women who place a high value on leadership, academics, friendship, service, community and lifelong learning. These ideals when used in recruitment paired with the understanding of membership for a lifetime, support Lafayette College's community and its emphasis on "education as preparation for life."

Our Vision Statement, *Kappa Kappa Gamma will empower women to pursue a lifetime of excellence*, helps guide our membership process. Potential members of Kappa Kappa Gamma should demonstrate, through prior experiences, an ability to embrace and model the vision statement, which in turn supports and enhances the campus and community environment.

In accordance with Kappa Kappa Gamma Fraternity *Bylaws*, a candidate for membership in Kappa Kappa Gamma must be:

- A woman matriculated in a four-year college or university.
- A woman with at least "C+" average in college.
- A woman who has demonstrated qualities of personal and group responsibility and congeniality.
- A woman who is not affiliated with another NPC group as an initiated or pledged member.
- A woman who is willing to pledge herself to uphold the *Bylaws, Standing Rules* and *Policies* of Kappa Kappa Gamma.

Membership selection is the sole responsibility of the chapter within the framework of criteria of the Fraternity.
