FRATERNITY AND SORORITY LIFE

The Lafayette College Fraternity & Sorority Advising Chapter Accreditation Program is designed to measure each chapter's performance in 5 areas [Pillars]: Intellectual Development, Leadership Development, Community Development, Chapter Development, and Personal Development. It is designed to assess how chapters annually:

- Meet their priorities;
- Meet or exceed the expectations of the Fraternity & Sorority Advising program;
- Implemented recommendations provided to them by the evaluation panel;

Chapters will use the Accreditation Program as a roadmap to establish priorities for each officer during their term. This program will challenge students to think critically about their role within the chapter and how they contribute to the betterment of the organization to which they pledged lifetime membership. Therefore, all individuals will be equal stakeholders in ensuring that each member plays an instrumental role in developing interpersonal and intrapersonal competencies. The program allows for creativity in accomplishing programmatic elements throughout the year. Every chapter has the unique opportunity to showcase the positive contributions that it makes year-round to the Lafayette College campus community and your National Office. At the conclusion of annual accreditation, chapters will be provided with constructive and meaningful feedback for areas of improvement.

Minimum Standards of the Office of Fraternity & Sorority Advising:

The Office of Fraternity & Sorority Advising has identified the following activities that all chapters should regularly be engaged in to meet minimum standards for recognition at Lafayette College. These standards are not required to be reported upon within your portfolio or presentation. However, you may be asked about these topics in the question and answer portion of your chapter presentation or throughout the accreditation period.

Accreditation Pillar	Minimum Standards for individuals and/or chapters
Intellectual Development	A robust academic program offering both accountability and recognition measures for all chapter members.
Leadership Development	All members act in congruence with their organizational values; members are involved within the Lafayette community in other student clubs and organizations; members hold leadership positions in clubs; all new member educational plans/activities are in accordance with National and Lafayette policies; All new members are treated with respect.
Community Development	All members demonstrate a sense of fraternal/panhellenic spirit through co-sponsorship and/or visible support of other chapter's initiatives; All members give back to their community; All members engage in philanthropic endeavors and raise awareness for their respective causes.
Chapter Development	All chapters meet/exceed recruitment goals; regularly engage in their public/private rituals; the chapter fulfills all financial obligations and is fiscally responsible; chapter and/or alumni advisors regularly engage with undergraduate members.
Personal Development	All members recognize the importance of inter/intra personal development and seek opportunities to cultivate skills within their Greek experience.

How chapters will be evaluated:

Chapters will be evaluated based upon their performance throughout the year, but will be rated substantively during its annual review. This review consists of a chapter portfolio summarizing its accomplishments during the evaluation period,

a presentation before an accreditation panel, as well as a question and answer portion. Chapters will also be evaluated based upon steps taken to implement recommendations from the accreditation panel during the previous year.

Part I – Verification - - All chapters are expected to fulfill the activity requirements associated with each of the five standards as outlined above (page 1). Additionally, a chapter will be evaluated by on-time completion or verification of:

- **Organizational conduct record and sanctioning for the academic year;** (verified by Office of Student Conduct after end of academic term)
- **Housing rosters for fall and spring semesters according to established deadlines and meeting occupancy requirements;** (verified by FS Advising staff)
- **Leadership rosters for the academic year according to established deadlines;** (list of current, active members and their leadership positions)
- **Bid Acceptance and New Member Release Forms turned in to FS Advising by prescribed deadlines;** (all new members must complete these forms)
- **New member education in the 3-week timeframe as established by Lafayette College;** (verification forms are in the current member section of FS Life website)
- **Social event registration approval within established deadlines provided by the FS Life Office. Additionally, chapters must adhere to social event guidelines;** (forms may be downloaded from FS Life website)
- **Debts to College and Councils by established deadlines** – includes L account balances to College and dues payments to IFC/Panhellenic Council
- **Working with College or House Corporation to adequately maintain house.** Chapter should ensure issues are regularly reported and fixed in a timely manner to Facility Operations. Chapter demonstrates leadership in ensuring facility passes College opening/closing inspection procedures. Fraternity houses have appointed members present for City Inspections.
- **Attendance at 1:1, council, cohort, community meetings/events or programs**
- **Qualifying Fraternity Meal Plan enrollment**

Part II - Chapter Portfolio - - The portfolio is an executive summary of all activities, events, and programs that the chapter engaged in to meet or exceed Accreditation Program requirements (please refer to pages 4-8 for a list of the Pillars and activity requirements). The portfolio should include a summary of any recommendations from the previous year's panel that had/had not been fulfilled. The portfolio shall be submitted to the Advisor to Fraternities & Sororities. It will be evaluated on a 1-5 scale according to the rubric. The portfolio may be available to other accreditation panelists upon request. The Portfolio is worth 40% your evaluation.

Portfolio Information –The portfolio should be organized in the following manner:

- A table of contents with page numbers. Each pillar has its own section and follows the same order as the Accreditation Program. Each section should begin with a paragraph that outlines goals for the applicable pillar and a self-assessment summary of whether those goals were achieved or not achieved as well as any areas for improvement that were identified. **(10% of score)**
- **All standards must** provide documented evidence that the activity/standard has been completed according to the Accreditation requirements for Accredited or Accredited with Distinction. This can include photos or video clips, screen shots as well as tables or graphs. Additionally, all standards **must** provide evidence of assessment documenting whether the program objectives were met/not met and what changes, if any, could be made to the program to make it more effective. This can include a template provided to your chapter by your National office, a Lafayette College Campus Life Departmental Assessment Record (DAR), or a template developed by the chapter (should be approved by OFSA). **(40% of score)**
 - **All Pillars must** provide evidence of reflection related to the standards. Reflection helps your chapter to make meaning of what you are learning through engaging in activities within the Five Pillars.

LAFAYETTE

FRATERNITY AND SORORITY LIFE

- For example, a reflection of a leadership conference provides the participant with an opportunity to think critically about their role within the organization and how they can positively contribute useful tools into making the chapter stronger.
- Another example would be to understand the root causes of larger societal issues (ex. illiteracy, hunger, domestic violence, childhood obesity) that impact different demographics within society and how individuals can positively impact those issues.

Part III – Multimedia Presentation - Chapters will be required to participate in a presentation (presentation blocks are scheduled for 1 hour, while presentations are to keep to appropriate time parameters below) to an evaluation panel comprised of Lafayette College stakeholders. Panelists will rate the presentation on a 1-5 scale according to the rubric below. The Presentation is worth 30% of your evaluation.

- The presentation can be presented by any member(s) of the chapter. It is preferred that more than one speaker is identified in order to create a more dynamic presentation;
- The presentation should follow a video format in order to offer an engaging format to the College community;
- The video should accurately represent the chapter, its members, and tell a compelling story of the member experience;
- The video presentation should be comprehensive in nature, but should not last more than 30 minutes.

Each chapter’s presentation must answer this central question. **Using the Accreditation program as a reference, please explain why the concept of “Greek Life” and involvement in your chapter is still relevant in the 21st century, in light of negative press associated with it.**

Part IV - Question & Answer Section – All chapter members are expected to attend unless otherwise given permission. Alumni, friends, faculty and other members of the Lafayette College community are encouraged to attend. It is the expectation that all members of the chapter participate in the Q&A by providing thoughtful, evidence-based answers, reflection, context, or nuance to questions posed by the panel. A sample list of questions is provided in this document, but are not limited exclusively to those contained within the document. Panelists will rate the Q&A on a 1-5 scale according to the rubric below. This section is worth 20% of your evaluation.

Accreditation Ratings and Recognition

The Office of Fraternity & SorORITY Advising will give a rating of **Accredited with Distinction** to any chapter that has scored at that same level in 3 or more pillars. A rating of **Accredited with Recommendations** will be given to any chapter that has scored at that same level in 3 or more pillars. Chapter will be recognized in the following ways listed below. A chapter that achieves Accredited with Distinction in 3 or more categories are eligible for the **Grand Chapter of the Year** award (*to be selected by members of the accreditation panel*) and may be eligible for a bye year for an accreditation presentation. The chapter will still be required to submit a portfolio of the year’s accomplishments.

Accreditation Ratings and Accountability

The Office of Fraternity & SorORITY Advising will give a rating of **Unacceptable** or **Unaccredited** ratings if they scored below minimum standards in 3 or more pillars and are subject to the following sanctions, listed below. Lafayette College reserves the right to modify these parameters for non-consecutive years that a chapter has been rated unaccredited or unacceptable in one or more standards.

Scale	Percentage	Rating
4.5-5	90%-100%	Accredited with Distinction
3.5-4.49	70%-89%	Accredited
3.0-3.49	60%-69%	Unacceptable
0-2.9	0-59%	Unaccredited

When a chapter will be notified of its Rating:

Following each semester, academic and conduct reports will be compiled. These items will be factored into your overall score. Once a final rating has been determined, a letter will be delivered to your chapter during the interim session. These results will be made public via the Fraternity & SorORITY Advising website under the accreditation section along with a chapter's semester grade reports and organizational conduct profile.

Accreditation Standards Defined

Intellectual Development

Standard 1 – Chapter’s term GPA meets or exceeds the term average of non-affiliated students.

Standard 2 – Chapter hosts a *minimum* of one academically-focused program or initiative per semester. These programs/initiatives may include workshops related to test preparation, study skills, resume writing, Internship/employment opportunities, study abroad experiences, member research opportunities, or other approved program. Only one event may be a faculty tea/reception.

Standard 3 – Chapter hosts or attends a *minimum* of one faculty-sponsored lecture or program once per semester. The topic may be of the chapter’s choosing and aims to assist the chapter learn, grow or to develop in an area it needs improvement.

Leadership Development

Standard 4 – More than 1 member attends a qualifying leadership experience outside of Lafayette that is sponsored by a National office, NIC or NPC, or other reputable association. Supporting documentation of attendance will be required. Approved experiences include: IFC and Panhellenic Academies, LeaderShape, Undergraduate Interfraternity Institute, conference hosted by the Northeast Greek Leadership Association (NGLA) or other experience.

Standard 5 – Chapter sponsors *at least two* leadership development programs each academic year. These programs are designed to be developmental in nature for both individuals and the chapter as a whole. These activities would include

LAFAYETTE

FRATERNITY AND SORORITY LIFE

rituals, conflict resolution exercises, accountability programs, event planning, personality/leadership inventory assessments, team building, and goal setting.

Community Development

Standard 6 – Each chapter member performs a *minimum* of 1 community service hour/month. Chapter service must be logged in GivePulse through Landis Center for Community Engagement.

Standard 7 – Chapter sponsors a *minimum* of 1 philanthropic event/year that meets/exceeds fundraising goals. Chapters must provide sum total of philanthropy dollars raised in portfolio.

Standard 8 – Chapter sponsors a *minimum* 1 event with a student organization that is not Greek-affiliated. Chapters must provide sum total of direct service hours performed for each semester.

Chapter Development

Standard 9 – Chapter sponsors *at least two* awareness programs aimed at increasing knowledge on any of the following topic areas: alcohol & drug use/abuse, sexual harassment/assault; risk management; hazing education, body image awareness, or other program topics approve by the FS Life staff **prior** to planning/implementation. Programs cannot be on same topic.

Standard 10 – Chapter has a *minimum of 51% of chapter total* in attendance of all FS Advising sponsored programs or related programs, which may include hazing, risk management, substance use/abuse, values congruence.

Personal Development

Standard 11 – Chapter has a comprehensive wellness program and regular promotes healthy behaviors that positively support student learning and well-being. Programming opportunities should be coordinated through the College’s [LiveWell Program](#). Programming topics should relate to the Eight Dimensions of Wellness, listed on the LiveWell website.

Standard 12 – Chapter identifies opportunities to engage in diversity & inclusion education. Programming related to this area should seek to increase competency in multiculturalism education related to the Big 8 concepts. Chapters will have successfully completed this standard if they can demonstrate applicability to their organizational values. Topics may include but are not limited: requesting a workshop for your chapter, attending a lecture on any of these topics, or engaging in a facilitated discussion related to any of the big 8 topics.

Accreditation Evaluation Questions

Intellectual Development

Fraternities and sororities at Lafayette must demonstrate that they provide academic support for individual chapter members and enable an atmosphere of intellectual advancement within the organization. Chapters should show how they structure opportunities for academic support, recognition, and accountability for the organization and individual members.

Questions

- ❖ How does membership in your fraternity/sorority connect your members to academic resources and opportunities for intellectual growth?
- ❖ How does your chapter provide opportunities for member development, intellectual growth?
- ❖ How does your facility and atmosphere facilitate academic and intellectual excellence for your members?
- ❖ Demonstrate how academic support, balance, and prioritization skills are a critical component of your new member plans.
- ❖ How does the chapter evaluate and implement changes to the academic plan to continually meet chapter members' needs?
- ❖ How does the chapter utilize academic reinforcement and support for academic programming on a peer-to-peer level?
- ❖ How does your chapter promote and showcase academic achievement?

Leadership Development

Every member of a chapter has the potential to lead and leadership should not be based on position or title, but rather on positive action that contributes to common goals and greater good for the larger community. Fraternities and sororities at Lafayette must demonstrate that they promote engagement in campus activities, involve their entire membership in goal setting and decision making processes, and encourage positive communication and contribution.

Questions

- ❖ How is leadership understood and developed within the context of your individual chapter?
- ❖ How do you encourage dialogue and educational conversations between the members of your organization?
- ❖ How are members rewarded for their inside and outside chapter involvement?
- ❖ What initiatives has your chapter engaged in with other chapters or organizations and what worked well? What areas can be improved upon?
- ❖ How do you mediate conflict and encourage quality relationships among members and class divisions?
- ❖ How do you ensure that all chapter members are involved in goal setting, decision making and the everyday actions of the chapter?
- ❖ How does your chapter's executive board give and receive feedback? How is this feedback utilized to improve chapter communications and leadership?

Community Development

Fraternities and sororities at Lafayette must be a positive contributor within the Lafayette community and the greater Easton community. This contribution includes support for members and the chapter's passion and advocacy for community causes. Chapters must also demonstrate that they form meaningful and far reaching partnerships with various constituents.

Questions

- ❖ How does your chapter continuously work to recognize the distinction of and balance between community service and philanthropic activities?
- ❖ To what extent did your chapter partner with the Landis Center to coordinate ongoing or first time service initiatives?
